## ARTSY KEY FACTS

### What is ARTSY?

ARTSY ([www.artsy.net](http://www.artsy.net)) is the second largest art platform in the world, after Sotheby's and before Christie's. With over 1 million verified buyers, ARTSY offers a unique opportunity to showcase your artwork to the public and potential buyers. Only galleries are allowed to publish artworks on ARTSY. With ARTBOX.PROJECTS you now have the possibility to present your artwork through our gallery on ARTSY!

## How can I show my artwork on ARTSY via ARTBOX.PROJECTS?

If you register for the ARTBOX.PROJECT Zurich 2.0, you have the possibility to select "Show artwork on ARTSY" as an additional service in the registration form. This additional service costs CHF 200. If you choose this additional service, all artworks you register for ARTBOX.PROJECT Zurich 2.0 will be shown on ARTSY ([www.artsy.net](http://www.artsy.net)) for one year. It does not matter how many artworks you register, the price CHF 200.00 will always remain the same. If you want to register more than one artwork and fill in more forms, you do not have to pay the CHF 200.00 again, these artworks will also be shown on ARTSY. **Please do NOT select "Show artwork on ARTSY" again in the other forms!**

### IMPORTANT:

- Only the artworks you register for ARTBOX.PROJECT Zurich 2.0 will be shown on ARTSY. It is not possible to add or exchange images after the project registration deadline!
- The service for ARTSY is only valid for one art project at a time.

## How long will my artwork be shown on ARTSY?

Your artwork will be shown on ARTSY for one year. If an artwork is sold on ARTSY during this time, 100% of the sales price goes to you. We do not take commission on artwork sold through ARTSY. If you sell an artwork, you can decide whether we should set the artwork to "not for sale" or remove it from the site - but the artwork cannot be exchanged.
