

Labelling, QR codes & sale of your artwork

Your artwork will be individually labeled by us according to your specifications.

You have the option of attaching 2 individual QR codes to your inscription. The visitors can then scan them with their mobile phones and go directly to your website or your artist video!

If you want to use another link you can inform us by e-mail.

If you want to sell your artworks you can choose a sales strategy. You have the options "Fix price" or "Make an offer".

Fixed price = The price of the artwork is not negotiable. You will be contacted with the price you specify.

Make an offer = No price is indicated. With this option the visitors have the possibility to tell us their price for your picture and to place a bid. We will contact you personally with each bid so that you can decide whether you want to sell the artwork at this price or not. The price indicated in the form is used here as a guideline for the sales talk. (Recommended)
